

# Sweepmaster B500

Sweepmaster B500

**Area coverage  
up to 2,400 m<sup>2</sup> cleaned/hour**

The smallest motorised sweeper in the Hako product range for use on all hard and carpeted floors – and an amazing area coverage of up to 2,400 m<sup>2</sup> cleaned/hour. The large, fully exploitable dirt hopper with a capacity of 40 litres and the efficient filter system enable the Sweepmaster B500 to complete demanding sweeping tasks. Its extremely simple operation and convenient features ensure work is easier and more efficient.
